Makes A Difference.”*

Who We Are

Bel-Air Nursing & Rehab Center is a five star, small independently owned 35 bed, Medicare/ Medicaid certified facility located just minutes away from downtown Manchester. Our convenient location provides easy access to Catholic Medical Center, Elliot and other area hospitals..

At Bel-Air we are proud of our long history of providing excellent care in a comfortable home-like environment with an exceptional staff.

We carefully select and screen prospective staff members to ensure that we have assembled a staff who are professional, compassionate, caring and strongly support our mission.

It is our philosophy to recognize our resident's as individuals they are, having their own personalities and to assist them in maintain the highest quality of life, health and wellbeing possible.

We believe in creating an environment in supporting psychological adjustments so that each resident will be able to accept and live with his or her illness or disability thereby developing their personalities and reaching his or her potential.

Additionally, we believe in an team approach where resident's families and staff work together in developing a plan of care that best meets the needs of those entrusted in our care.

Long-term / Custodial Care Services

Caring for your loved one can be exhausting for you and your loved one. They deserve to be cared for in the best possible way with the most resources available for meet their needs. Even with the best intentions, staying at home is not always the best choice.

At Bel-Air you will receive individualized care in a comprehensive healthcare setting from a truly responsive staff. Our resident's receive constant and consistent care from our dedicated team of Nurse's nursing assistants, therapist, social workers, activities and more. All this, while enjoying a comfortable setting that feels like an extension of your own home and family.

Nursing

The Bel-Air Nursing staff are made up of highly trained Registered Nurses, Licensed Practical Nurses and Licensed Nursing Assistants. Their passion and dedication backed by their knowledge and skills and our resident to staff ratios provides the elements needed to make the difference in our residents lives.

Activities/Social

At Bel-Air our residents remain engaged in social activities designed to provide each resident the opportunity to have their social needs meet and to stay active. Whether those activities are conducted by professional entertainers, outings at local restaurants or part of the many activities conducted by our activity professionals there is something going on for all.

Nutrition Services

Nutrition is integral to the healing process and the dining experience is an important part of an individual's medical and social well-being. Therefore, meeting the nutritional needs of our residents with well-balanced meals and snacks is an important part of their overall plan of care. Our Registered Dietitian (RD) is a food and nutrition expert who translates the science of nutrition into practical solutions for healthy living.
