Bel~Air

Senior Living Apartments

*For
Your Peace
Of Mind*

Bel~Air offers 7 modern independent living apartments in Goffstown, with the amenities and services you can enjoy while still maintaining your independence and privacy.

Each apartment comes complete with the essentials for efficient independent living for your comfort and safety. The bathrooms have either an oversized shower, with chair or a bathtub. Easy to reach support bars provide extra safety.

These apartments are of various sizes to accommodate your needs. Each apartment has independent climate control features. Also included are direct emergency call systems, emergency power, lighting and direct Internet capability.

A beautiful common lounge/living area and laundry facilities are available for your convenience. On site parking is also available for those who desire.

All kitchens are equipped with a refrigerator, microwave, range/oven, sink with sprayer, storage space, and food preparation areas. Handicap kitchens are also available.

A courtyard is available to all Bel~Air tenants to socialize and for private use.

Tenants are invited to participate in the daily activities the nursing home has to offer. They are also welcome to share in in any of our special events.

On site hairdresser services are available, by appointment, for your hair care and grooming needs.

For those who wish to dine in our modern restaurant style dining area, daily, weekly or monthly meal arrangements can easily be made.

On site physician visits and rehab services are also available.

Call today for more information or to arrange your private tour of these independent living apartments.
